Dear Member

Our software provider, MiClub, will soon be rolling out significant updates to the OneGolf system.
These updates include a new system website interface and an exciting new mobile app available for free to all members.

WHAT'S NEW....

Enhanced User Interface

The new OneGolf member portal offers a fresh and modern design, with all existing features of the software displayed in an easy to navigate layout.

**Your current login details to OneGolf remain unchanged.**

OneGolf App

The OneGolf App provides an enhanced mobile friendly experience across all OneGolf functionality including online timesheet bookings, competition leaderboards and results
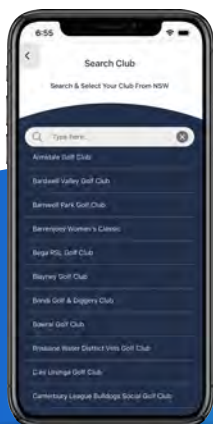

The OneGolf App also includes member news and push notificationmessaging.

The OneGolf App is free of charge for all members and available via for both IOS and Android.
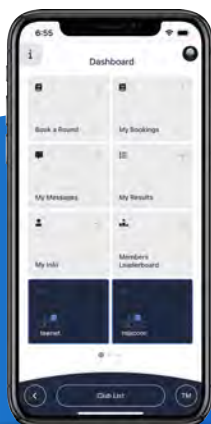

Once downloaded, open the app click on the ADD CLUB button and select our club from the displayed club list. Once the club has been added to your home screen, login using the same login credentials as per the club's OneGolf website.
