Dear Prospective Members

April 2026

What's not to love about Tam O'Shanter Golf & Community Club?

Scenic views

Located on Bass Strait, the mix of rural and coastal landscapes creates a unique and picturesque setting.

Challenging play – course details

With a scratch rating of 68 for men and 70 for ladies the course often incorporates the natural terrain with strategic bunkers, water hazards and native trees. The coastal wind provides a challenging yet enjoyable game.

Peaceful atmosphere

The rural location ensures a peaceful and quiet environment, away from the hustle and bustle of city life. The sound of waves and birdsong adds to the serene ambiance.

Natural elements and wildlife

Expect to see a variety of natural features such as native grasses and coastal vegetation which not only enhance the beauty of the course but also add to the challenge. You might encounter local wildlife such as Tasmanian native hens (turbo chooks), wallabies & pademelons or the occasional echidna making your round of golf more memorable.

Warm welcome and a friendly atmosphere

Members will greet you with a smile and are eager to help whether you're a regular or a first-time visitor. We welcome all golfing abilities. All our competitions are mixed with both men and women playing regularly. The club holds competitions every Saturday and Wednesday (see the calendar on our website for details). The club regularly hosts and attends events in conjunction with other clubs such as North Eastern Veterans, Farmers Days, Senior Ladies, Club championships, Club open, and many other sponsored events.

Strong sense of community

The course is 100% volunteer maintained. It takes a community and many hours to maintain the course and run a club and this is a testament to all our volunteers, some of whom are not even golfers. If you would like to help out in any of our volunteer roles please reach out to us directly. It's a fabulous way to become involved in the local community and meet people.

Country style hospitality

One of the best parts of the day is the tall tales of your golfing glory with your fellow players at the 19th hole after the game. It's a bit like fishing... the monster putts get longer in line with the number of beverages consumed. We operate a well stocked bar which is volunteer staffed on golf days. The club caters light meals after the Wednesday comp and our outsourced caterer We Fine Catering provides an option of light lunches on a Saturday afternoon as well as Dinner on the weekend (see our website for hours). Please ensure you text Matt from We Fine Catering on 0437 857 621 to make a reservation for Dinner. The club hosts a number of community events, social events, and the clubhouse is available for private events. The course is also available for other social or work golf events.

Membership

Full membership is \$400 including gst and provides players an Australian Golf Link number allowing you to play competitive or social golf anywhere in Australia. Junior membership for those aged under 18 is \$45. Social membership is \$50 including gst which provides you with vouchers for 4 games of golf and you are also eligible for the members draw every Friday night.

We look forward to welcoming you at our club – please don't hesitate to reach out if you have any questions!
